We will not renew this policy when it expires. Your insurance will cease on the Expiration Date shown above.

We are not renewing this policy because, where permitted by law, we reevaluate all underwriting risks each year in light of changing conditions in the insurance market. In order to be in full compliance with our regulatory and statutory rules we must send this non-renewal notice.

We may include new exclusions based on our underwriting of your exposures and changing legal and regulatory developments. Finally, the policy may be issued by a different member of the ACE Group of Insurance Companies than your expiring policy, including but not limited to Agri General Insurance Company.

Enclosed is information concerning losses under this policy or previous policies which we have written for you, not to exceed three years. This information gives you details of closed claims, open claims and reserves, and occurrences which may not yet be concluded as a claim.
